

NMBA, in collaboration with the Departments of Chemistry and Physics and the NSS Wing, observed No Tobacco Day 2026 under the banner of Nasha Mukta Bharat Abhiyan.

The event began with a PPT presentation by Dr. Sonika Khajuria, HOD, Chemistry. She sensitized students to the ill-effects of tobacco on the human body. The students listened to the lecture with keen interest and also interacted with the resource person, Dr. Sonika. In the end, a pledge was taken on Anti-Tobacco Day. The entire programme was coordinated by Dr. Koushal Kiran, Convenor, NMBA; Dr. Sonika, HOD, Chemistry; and Dr. Geeta Lakhotra, NSS PO. The programme concluded with a vote of thanks.
