

## REPORT ON PLANTATION DRIVE ORGANIZED UNDER NMBA 100 DAYS CAMPAIGN

A Plantation Drive was organized on 22nd May 2026 in the college campus of Government Degree College Bishnah under the ongoing 100 Days Campaign of NMBA (Nasha Mukh Bharat Abhiyan). The programme was conducted under the guidance of Principal Dr. Shallu Samyal with the objective of promoting environmental awareness and encouraging a healthy, drug-free lifestyle among students and staff members.

The event was organized under the convenorship of Dr. Kiran Koushal Kiran Thacker along with the NMBA Committee in collaboration with the Departments of Zoology and Botany. The plantation drive aimed to spread awareness regarding environmental conservation and community responsibility while reinforcing the message of a sustainable and addiction-free society.

Faculty members actively participated in the programme, including Dr. Sania Hamid, HoD Botany, Dr. Vasudha Chaudhari, HoD Zoology, and Dr. Ashma Gupta, Member NMBA and Faculty,

Department of Zoology. Saplings were planted in the college campus to enhance greenery and create awareness among students regarding the importance of protecting the environment.

During the programme, the speakers highlighted the significance of environmental preservation and emphasized that constructive and healthy activities such as plantation drives play an important role in building responsible and socially aware youth. Students enthusiastically participated in the activity and pledged to contribute towards maintaining a clean, green, and drug-free environment.

The event concluded successfully with a collective commitment towards environmental sustainability and the objectives of the ongoing NMBA 100 Days Campaign.
